It's all together as one company

gotcha, sounds like a small monopoly

It's a monopoly if we don't operate the company we own the store front

ie flower shop. She is our tenant

To: Joe Rapuano

Very cool. Definitely sounds like an operation. I've been on four atlantis cruises and know the owner pretty well. I'm imagining a similar atmosphere.

Did you have a lot of sex

you can if you want, or are you asking me personally?

(Did you) key words

My first cruise I booked when I turned 21 and I had kind of a cruise boyfriend so I just had a lot of sex with him

subsequent cruises varied

That makes you intelligent

Awh 😊😊😊

How'd you get the privilege of meeting hunter

That look is so ratty and gross

Just bulky. And handsome. I like

to Joe Rapuano

It's deeply misogynist to flirt with  
someone for a job and I don't  
support that kind of vapid culture

Unless it's like a great job

Haha are you the only one who does  
the hiring/ manages both  
restaurants?

Survival is survival I support any  
"weapon"

Bars. Restaurants. Canteen. Gym.  
Us

Yes\*

hahaha, sex scandal before I even started working.

Do you need a copy of my driver's license?

En. Could be work.

Yeah. I need all that when you start.

Literally. It's fire island. I'm fully prepared to be objectified.

Maybe. But likely not by your boss

haha, too true.

Generally

No promises

Being a boss, being a dom masc top, seems like a similar thought pattern.

TO: DADDY

FROM: SUMMA

SORRY ABOUT  
YOUR SHIT DAY

DISCUSSION ON MONEY  
BEGINS

In part it's a scheduling issue. Maybe he can assist with that aspect at least.

I'm on the ferry

I'm not taking home what I should be taking home for a summer job. I could be making what I make here anywhere and not have to pay a large housing fee. Economically for me at least it's not making much sense.

\$427 paycheck today.

Ok. So you are resigning?

Not yet.

I know what they are going to say

I would never resign via text message.

Joc

Fri, Jul 15, 2:12 PM

I'm not making enough money

Fri, Jul 15, 6:00 PM

Don't know. I'll talk to Kenny about a solution

Lol

Is that funny

That Kenny can help yes

Well if someone doesn't help, I'm leaving tomorrow so hopefully we can build a consensus

Leaving tomorrow?

Aren't you in Connecticut?

Joc

Joe

5 servers on brunch when we had 4 last week and I had one table,

I know!! I'm not mad. Just may not be working out for me economically.

It's not anyone's fault. I'm just making about \$200 less than employees working elsewhere who don't have to pay housing.

If I was making what bartenders make, I could get the housing charge. I don't make that much.

There's employees here that have been offered two raises and a paycheck advance so that tells me that management isn't completely unfair and may be willing to negotiate. That's the kind of conversation I want.

I do not. I was asked to be cut once on a Saturday when I had 1 single table at drag brunch.

And quitting with one day notice is same as quitting over text

Called in sick twice. Both legitimate.

Legit or not. Wouldn't matter

We just hired another server when we were promised that another server wasn't being added?

Not going to argue.

Joe

Excuse me?!

He won't leave me alone all weekend  
and I just sent him a massive text  
about how we're not working out

End of texting

I said if he was as unhappy as he  
thought he was than maybe he  
should look for other jobs...

End of texting

I want nothing to do with Dylan

Yeah...

You are actually a liar

I am not. You have no idea what I  
said to him today b

Joe

I don't want a raise

It's okay if our ideas don't match. My  
point is that I could be making more  
working a serving job anywhere. The  
incentive isn't here for me. But I  
understand it could be for other  
people so maybe lucratively, this isn't  
the spot for me.

Take Dylan

Oh god. I don't want him. Lol

Well you certainly are trying to talk  
him into leaving

Excuse me?!

Joe

Dylan has zero to do with my financial concerns

6:02 PM

6:21 PM

6:21 PM

6:21 PM

That may be an option. But I'm still going to chat with management before I work any shifts this weekend.

6:22 PM

Pj is management lol

6:23 PM

Don't threaten.

6:23 PM

Pj is the company owner.

6:24 PM

Whoah not a threat

6:25 PM

I'm management

6:25 PM

And I'm telling you to go to the owner

6:25 PM

Sounds like you

Joe

I am not. You have no idea what I said to him today b

6:25 PM

6:25 PM

6:25 PM

We?

6:25 PM

Oh god that was a liar

6:25 PM

while ago

6:25 PM

When circumstances were different.

6:25 PM

Also this has nothing to do with my employment here

6:25 PM

What are you talking about nothing to do with your employment?

6:25 PM

That's the only thing I am talking about.

6:25 PM

Dylan has zero to do with my financial concerns

6:25 PM

Joe

Joe

I don't threaten your restaurant. If I left you have plenty of people to keep your industry running.

That may be an option. But I'm still going to chat with management before I work any shifts this weekend.

PJ is the company owner

Vmoah not a threat

For management

And I'm telling you to go to the owner

Sounds that way.

We are working something out or I'm leaving tomorrow...

"Before I work any shifts".

Certainly sounds threatening

This hasn't crossed any personal side at all

Who did you mean to send that screenshot to

As you mentioned...

"Before I work any shifts".

Certainly sounds threatening

This convo crosses that confusing boarder you said doesn't exist by involving personal endeavors that have nothing to do

Barely

I don't threaten your restaurant. If I left you have plenty of people to keep your industry running.

That may be an option. But I'm still going to chat with management before I work any shifts this weekend

Joe

Take Dylan with you

You're a liar

Texts boo

We can leave tonight

The way I talk is personal

EXAGGERATE

that's what I'm showing you.

Me telling you to go to pj cause I  
don't want to loose you as a server is  
your manager and me speaking

And those screen shots were for you

Don't be that sketchy I don't share  
exacts ever

Of course I want you all to make  
money

Why would I not

Joe

I am not. You have no idea what I said  
to him today b

What?

Oh god that was a liar

While soo

When circumstances were different

Also this has nothing to do with my  
employment here

What are you talking about nothing  
to do with your employement?

That's the only thing I am talking  
about.

Dylan has zero to do with my financial  
concerns

Take Dylan with you

You're a liar

Joe

He bitched your car?

I'm not bitching. I am not a bitch.

Yes. Some fucked up shit with him and Sara

The thing you reimbursed him for and gave him a raise offer for? I know.

I didn't offer the raise

Also you're wrong about what you think it's happening between Dylan and I

It's not mine to offer

The money. Yes I paid from my own pocket

Joe

Mario this isn't an attack against you or management

It's just a concern I've brought up twice

OK. And there's nothing I can do. I had nothing to do with hiring another server

Another server this weekend too? Three servers on week nights when we have 17 covers on average

So I want you to go to the owner

I'll remove Caitlyn

Honestly I have zero clue what's happening there

I've had little contact with pj and Kenny

Okay. I believe you.

Joe	Joe
And I'm an adult.	
believe that.	I've terminated and broken every tie with this person because I am an adult.
No. It's all a game. It's because I've put the final stopper in anything he thought was going on	He shouldn't have to pay a mistake I will handle her when I'm back
Have we changed this to personal?	Agreed. But you're still wrong about the nature of his and i's relationship.
	And if I don't get reimbursed well then it's a sacrifice I make for staff
He has messaged	I dont know what you two are doing or if you're talking again or whatever.
I assume out of boredom	
Personal. You brought it back up n	We aren't
I'm just asking if it's officially a topic change	But I'm a really good guy.
Sure	He has messaged

Joc

Joe

Sure

But I don't care. I'm not intimidated  
by any of this really. Not for 427!  
week lol

Official change.....

I would talk to PJ

Not opposed at all.

Just wish you were here. Maybe to  
settle me down, maybe to smack  
some sense into me

If you say management one more  
time. I'm gonna feel as if you are  
demeaning my position

I am telling you to go above me

Okay.

I want you to find a solution. I am  
just not able to solve it.

And then silence

Lot

Thanks for getting me all hyper

Texted Kenny he blindsided me

Hiring another waiter

What am I supposed to say

Now he's mad lol

I can tell. I don't think he wants to  
speak to me.

You should talk to pj

But I don't care. I'm not intimidated

Joe

Joe

I do care about you as a person and I  
am not communicating romantically  
with any other employee. That is all.

Are you?

Aimee a little

But that's been going on for years

Are you? Lol

You are the only one.

Pj just said. "Within the first hour of  
you back. We sit"

like that's a great way to end my  
vacation

To feel like I'm going back to a

Joe

Drugs for you?

Yes. How I've allowed this tangled  
web and continued to participate

There is no web.

I do care about you as a person and I  
am not communicating romantically

Zero

Aimee a little

But that's been going on for years

really want you to have the best trip

Fri, Jul 13, 11:22 AM

What place is that.

Not gonna tell you

It's a gamers bar

.ol I'd probably love it. When we  
going?

Joe

You got PJ involved. I didn't.

I didn't bring up personal stuff in that  
meeting.

And I said nothing incriminating.

That's not what I'm Getting at

And I couldn't solve what you needed

It's my job to execute what I can and  
send up the things I can't

I have work. I think it will be fine. I  
just want you back. The drama will  
die as soon as Dylan realizes he can  
manipulate anyone else.

When are you back

Sunday

Sun, Jul 17, 7:15 AM
